Our Open Houses are designed to give campers a chance to visit and meet their counselors and fellow campers. You may visit any time during the scheduled Open House hours and receive a guided tour of camp. No reservations are needed for our Open house. Our enrollment each session is limited in order to ensure our campers a quality day camp experience. Therefore some groups and options may be sold out before our Open House dates. You may receive a tour of our facility at an earlier date by calling our camp office (609-567-2166) and reserving a time.

Weekend Tours

Camp Tours are available at your request any day of the week or weekend. Call the office to set up a time. Attending one of the Open Houses is still recommended to meet the staff and see the facility.
